2nd Verona Early Career Workshop in Economics

Call for Papers

Dear Colleagues,

We are pleased to invite you to the **2nd Verona Early Career Workshop in Economics**. The Workshop will be held *in person* at the Department of Economics of the University of Verona on **5th-6th May 2025**.

The Workshop aims to promote the exchange of ideas among young economists conducting research in all fields of economics. We are delighted to announce the participation of **Therese Nilsson** (Lund University) who will give a talk during the Workshop.

We encourage all PhD students and early career researchers who have completed their PhD in the last two years to submit their unpublished work. Full papers and extended abstracts (at least 2,000 words) should be forwarded together with the presenting author's CV using [this form](#). The deadline for submission is **February 28th 2025**. Acceptance decisions will be notified by **March 21st 2025**.

There are no parallel sessions. Each participant will be given 25 minutes to present his/her work, followed by 5 minutes of discussion. Formal discussants will be selected among the [Department members](#).

No registration fees are required. Unfortunately, we are not able to cover travel or accommodation expenses. Further information is available on the Workshop's [webpage](#); for all other enquiries, feel free to contact us at ecwe25@dse.univr.it.

We are looking forward to meeting you in Verona!

The organizers

Alessandro Barbazeni
Matheus Lima Cornejo
Giovanni Righetti
