

Al Segretario SIE, Prof. Luca De Benedictis,

Breve Resoconto sessioni in collaborazione con SIE  
al *second world congress of comparative economics* (St. Petersburg, 15-17 giugno 2017)

La proposta iniziale era per la coorganizzazione di una sola “special session in collaborazione con SIE” ma nel corso della selezione delle circa 800 submissions ricevute, il comitato organizzatore locale ha ritenuto di delegarci la selezione e organizzazione in sessioni di molti papers “macro” e di “economic integration” coinvolgendo come chairs (e informal discussants) i soci SIE presenti al Congress (inclusi i due vice-presidenti Proff. Nicola Acocella e Beniamino Moro); quindi, nel programma ufficiale le sessioni “in collaborazione con SIE” sono state ben sei. Sotto si riporta il dettaglio di tali sessioni.

Alle sessioni in collaborazione con SIE la partecipazione è stata significativa e il dibattito molto vivace (nonostante gli inevitabili tempi stretti). Riteniamo che la collaborazione con SIE sia stata molto positiva sia per la visibilità internazionale della nostra associazione che per il contributo rilevante che diversi soci SIE hanno dato ai contenuti scientifici del Congress di St. Petersburg.

Il programma completo del Congress è disponibile al seguente link: <https://spb.hse.ru/en/compecon/programme/> e molte altre informazioni sono disponibili nella webpage del Congress: <https://spb.hse.ru/en/compecon>

Si ringrazia tutto il Direttivo SIE, e in particolare il Prof. Beniamino Moro, per la fiducia accordata.

Cari saluti,

Enrico Marelli e Marcello Signorelli
